PUBLISHED BY THE STAFF
OF THE SENIOR CLASS OF
SHELBY HIGH SCHOOL
SHELBY, OHIO

DEDICATION

If a teacher has a friendly manner, a direct way of getting ideas across, and a thorough knowledge of her subject, she will easily command the respect of her students. And if she has a good sense of humor and takes a lively interest in her students, as well as in her course, they are sure to respond and enjoy learning from her.

We wish to recognize just such a teacher. A teacher who guides us, yet one who wisely sits back and lets us make many of the important decisions in the clubs she sponsors and about the projects we undertake; so that, under her, we gain in BOTH knowledge and leadership.

The year 1942, which brought most of our class into the world, also brought her to Shelby High. So we are, in a unique way, HER CLASS.

It is with special pride that we dedicate the 1960 Scarlet "S" to the lady who has as much energy for planning a prom as she has for mountain climbing and as much fun rooting for Ohio State as against the University of Michigan—OUR TEACHER—
MISS HARRYET SNYDER!

The Main Entrance to

The main entrance of Shelby High School as it appeared on a warm September day (1959) from Park Avenue.

an Imposing Building

*Come, let's sing with happy voices
Lift them to the sky
Filled with pride, each heart rejoices
True to SHELBY HIGH.*

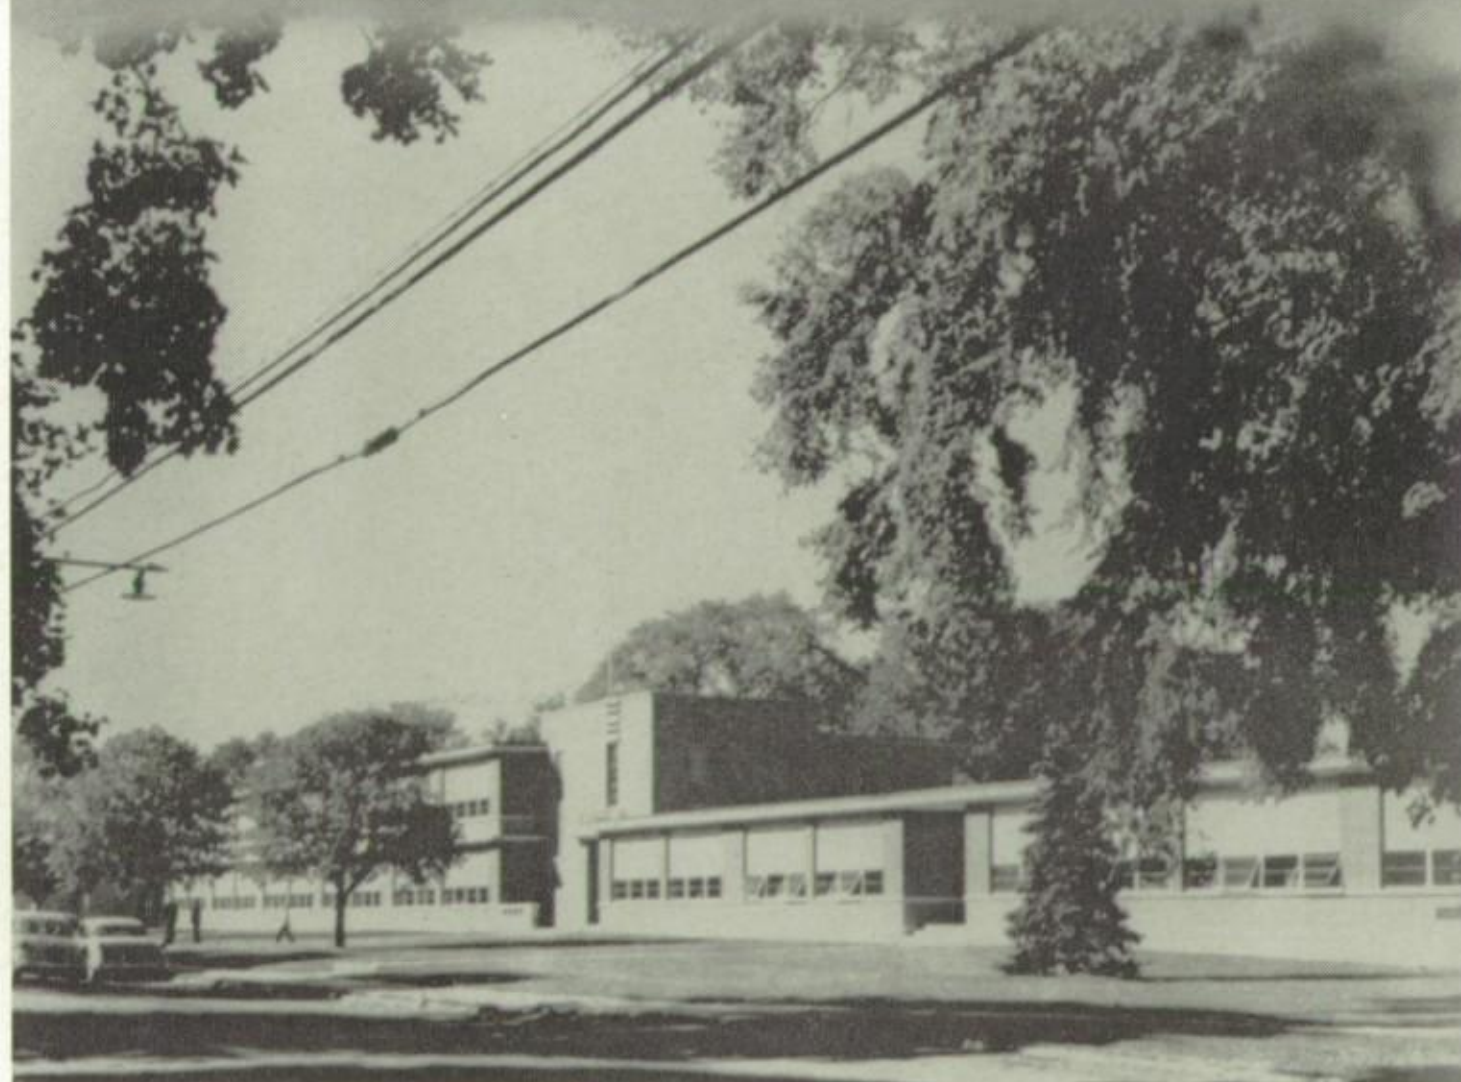

Whitney Elementary School

Completed in 1954, 13
rooms, music room,
and all purpose room.

Central School

Completed in 1952, 25
rooms, cafeteria, music
room, library, art
room, and spacious gym.

In the development of each child, facilities, equipment, and buildings are necessary. Shelby parents and citizens have provided new buildings for the elementary and junior high program. All of these are being used at the present and provide the space and equipment necessary for a well-rounded elementary school program.

Auburn Elementary School

Completed in 1950, 13
rooms, music room,
cafeteria, and
all-purpose gym.

Dowds Elementary School

Completed in 1958, 14
rooms, music room,
cafeteria, and all-
purpose gym.

Superintendent

In the course of our years in Shelby High, Mr. Carmean, as superintendent of the Shelby City schools, has been the hub in the wheel of their activities and functions. He gives counsel to all students or teachers concerning problems which they might have. Mr. Carmean meets all issues squarely and expresses his views on them, yet "never leaves an enemy". In the field of education, he supplies the best possible facilities for Shelby's pupils and we rest assured that his plans for future improvements will equal or exceed what he has done for us in the past.

Bryon H. Carmean, A.B., M.A.

Mrs. Jeanette Noble in the principal's office and Mrs. Vera Kuhn in the superintendent's office are the two ladies who keep the work of those offices flowing smoothly. Cheerful and helpful to bosses and students alike, these secretaries make life easier for all of us around S.H.S. with everything from aspirin to information.

The Shelby Board Of Education

FIRST ROW, left to right: Mr. Reymmer Bricker (vice-president), Mr. Leonard Waines (president), and Dr. E. D. Dowds.

SECOND ROW, left to right: Mr. Wayne Carleton, Mr. Sanford Weaver (clerk), Mr. Byron H. Carmean (superintendent of schools) and Mr. E. P. Curry.

The members of the Board of Education have the responsibility of providing an educational plan and plant for the children of school age in this community. Shelby has been fortunate in having a group of men who are dedicated to the responsibility of their task and have done their work well.

They have recommended new and additional buildings from time to time and then have presented these proposals to the citizens of the

community. On other pages of this book are pictures of buildings that have become a reality to the children and teachers of this school system.

The members of the Board of Education have provided well for the development of each and every youngster and young person attending Shelby schools today. They are looking to the future and have started a detailed study to provide for more and better facilities for future pupils of this school district.

Principal Of The School

A very necessary part of any school faculty is the principal — the head administrator. Mr. J. E. McCollough has been principal of Shelby High School for the past fourteen years.

Mr. McCollough's helpful advice and friendly attitude to all students has gained for him the respect of all — students and faculty alike.

The development of each pupil according to his or her abilities and skills is a worthy goal. Mr. McCollough has made this a reality in most of the Shelby students by his interest in them and his encouragement to them.

Mr. J. E. McCollough

Biology Club

During the school year of 1959-1960 the Shelby Biology Club has grown in size and in scope.

The purpose of the club is to give its members a chance to learn and experiment on their own while still in high school.

Shelby now presents an annual science fair in which all members are required to display an individual project. If this is judged superior, it is advanced to the district fair; if it is again judged a superior project, it is taken to the state contest for final judging.

For the last two years, Shelby High School has been well represented at these contests. This year projects ranged from blood typing, histology, and bacteriology to the study of heredity and cancer.

Shelby's Future Farmers of America, now in its tenth year, is an organized group of boys from the rural district surrounding Shelby. They are enrolled in vocational agriculture and hope to attain their goal, improved farming methods, through actual practice on a twenty acre plot of land east of town.

The boys have a wide variety of activities. In the past few years, they have been top contenders in the annual district parliamentary procedure contest. All Future Farmers of America members are entitled to take part in the state judging contests held at Columbus and many of the members exhibit their projects at the state and county fairs. Every year, these boys attend the national Future Farmers of America convention which is held in Kansas City. In addition, the boys go on trips to Chicago for the International Livestock Fair, the juniors go to Kansas City, and the seniors journey to Washington D. C. for tours of the nation's Capitol.

The Future Homemakers of America provide for the development of the individual as an efficient homemaker. Some of the activities this year include initiation services for members receiving Junior and Chapter Degrees of Achievement, a cook-out and a trip to Kingwood Center. The group also enjoyed several interesting speakers. The F. H. A. and F. F. A. sponsored the annual Valentine dance.

The thirty-four members were advised by Miss Kuhn and Mrs. Enoch.

Buckeye Boys' State

Carl Koontz, John Kocher, Tom Baker, and Mark Lowmiller were chosen by the faculty to attend the 1959 session of Buckeye Boys' State. Boys' State is sponsored each year by the American Legion and was held at Ohio University at Athens, June 9-20.

Each boy attending was voted or appointed a position: Mark Lowmiller was assistant president of Cobb city council, Tom Baker was the treasurer of Garner city, Carl Koontz was the engineer of Elden county, and John Kocher was the mayor of Campbell city.

This year 1058 boys learned government procedure by actually filling and performing various phases of state, county, and city organizations.

During the ten day session representatives from the Army, Navy, and Air Force academies gave speeches, showed movies and answered questions at the nightly assemblies. Men from the F.B.I. and the highway patrol gave demonstrations of their jobs. John Noble, who spoke on his experiences in Russian concentration camps, was given a standing ovation. Dr. Thomas Dooley sent a movie and a tape recording from Laos for another outstanding program.

The boys agree that they learned a great deal about government and that they will always remember the friends that they made during their ten day stay.

Buckeye Girls' State

These two girls were Shelby High's representatives at Buckeye Girls' State. They are shown here reviewing a part of the endless stack of literature they received at Capital University, but their real memories are of the days they spent there and the outstanding girls they met there.

During their stay, Nancy and Anne were impressed by the high degree of organization which prevailed all through the campaign period, the elections, inauguration banquet, and the governmental functions. The nine hundred Girls' Staters were either in a meeting learning about

parliamentary procedure or out hitting the campaign trail for the Nationalists or Federalists.

Nancy was elected Federalist Mayor of Bickerdyke and Nationalist Anne was appointed Surveyor and Civil Defense Commissioner of Sherman. Over and over in most of the speeches they heard the role of women in government was stressed.

They especially recall the day they went by twenty police-escorted buses to the State Capitol building, also the address by Boy's State Governor Gary Richetto at the inauguration.

Tri-Hi-Y

The Shelby Tri-Hi-Y is a service organization of 90 girls affiliated with the Shelby family Y. M. C. A. and devoted to the extension of Christian ideals at home and at school.

During the year they have completed many projects such as—securing Christmas gifts for the patients at the Tiffin hospital, presenting a Christmas program at the county home, working for the Y. M. C. A. membership drive, and presenting the thirteenth annual Snowball in conjunction with the Hi-Y.

The Tri-Hi-Y has proven to be a useful and valuable organization for Shelby.

The code of ethics which each boy strives to uphold is: "To create, maintain, and extend through the home, school and community high standards of Christian character." The planks of the code are clean speech, clean living, clean sportsmanship, and clean scholarship.

This year the Hi-Y has had a very busy schedule. Their activities ranged from taking toys to underprivileged children at Christmas to co-sponsoring the Snowball with the Tri-Hi-Y. They also took charge of Y-basketball, and of selling subscriptions for the YMCA. Their money making projects were selling pecans and sponsoring dances at the Eagles Hall after home football games.

This year the fifty-five members, advised by Jim Shepard and Harry ter Braak, met the second and fourth Mondays of each month.

Whippet Tales Staff

Certainly learning to write is no small part of the development of the individual. Under the leadership of their Editors-in-Chief, Sharron Shank and Phil Ruckman, this year's Whippet Taler have been striving to improve their writing skills in each successive monthly edition of the paper.

Although the staff has been smaller than last year's, the actual size of the paper has increased. And, in line with the current inflationary trend, so has the cost—to 15c.

Miss Bowman has given of her time and effort as advisor all through the year. Mrs. Egleston became typing advisor and her office practice class has done a very accurate job of typing up the paper copy.

In addition to entertaining "Senior Profiles" and some SHS-special crossword puzzles, news articles incorporating quotes have been the best enjoyed features.

A year of progress for the school paper!

"Onions in the Stew"

The Thespian Club on April 23 and 24, 1959, presented a comedy entitled "Onions in the Stew". This play which had one of the largest casts ever to participate in a play at Shelby was centered around the life of the MacDonald family on Vashon Island. Mr. and Mrs. Mac-

Donald (Tim Durkin and Judy McCollough) were kept in a "stew" most of the time by their two teenage daughters, Joan (Sue Nothacker) and Anne (Mary Lynne Milliron). The play was directed by Mr. Funk.

KNEELING: Mr. Funk, Advisor

"The Little Dog Laughed"

Left to Right: Tom Stock, Joyce Kuhn, Jo Gates, Joe Laubie, Jay Dunathan, Janet Wagoner, Dick Stober, Linda Leemaster.

On November 12 and 13 the director, Mr. Funk, and the cast of "The Little Dog Laughed" scored a great hit as they kept the large audiences laughing throughout this hilarious three act comedy. When Laurie Huntington (Joyce Kuhn), a psychology major, came home from college, she found her parents (Linda Leemaster

and Dick Stober) and her once carefree brother (Jay Dunathan) to be a "bunch of psychological knots." When she tried to use psychology on them, all of the family friends AND enemies became involved. This play was an event which will long be remembered by the cast and all who saw it.

The senior choir this year consisted of 30 male and 69 female voices. These 99 vocalists under the direction of Mr. Paul Braden did a very fine job and presented many enjoyable performances. Following the annual Christmas program which was well received by all who heard it, the choir traveled to Norwalk for the Northern Ohio Choir festival in which it yearly sings. Early in May the voices again blended beautifully at the Spring Choir Concert. The members ended a very successful year by singing at Baccalaureate.

Senior Band

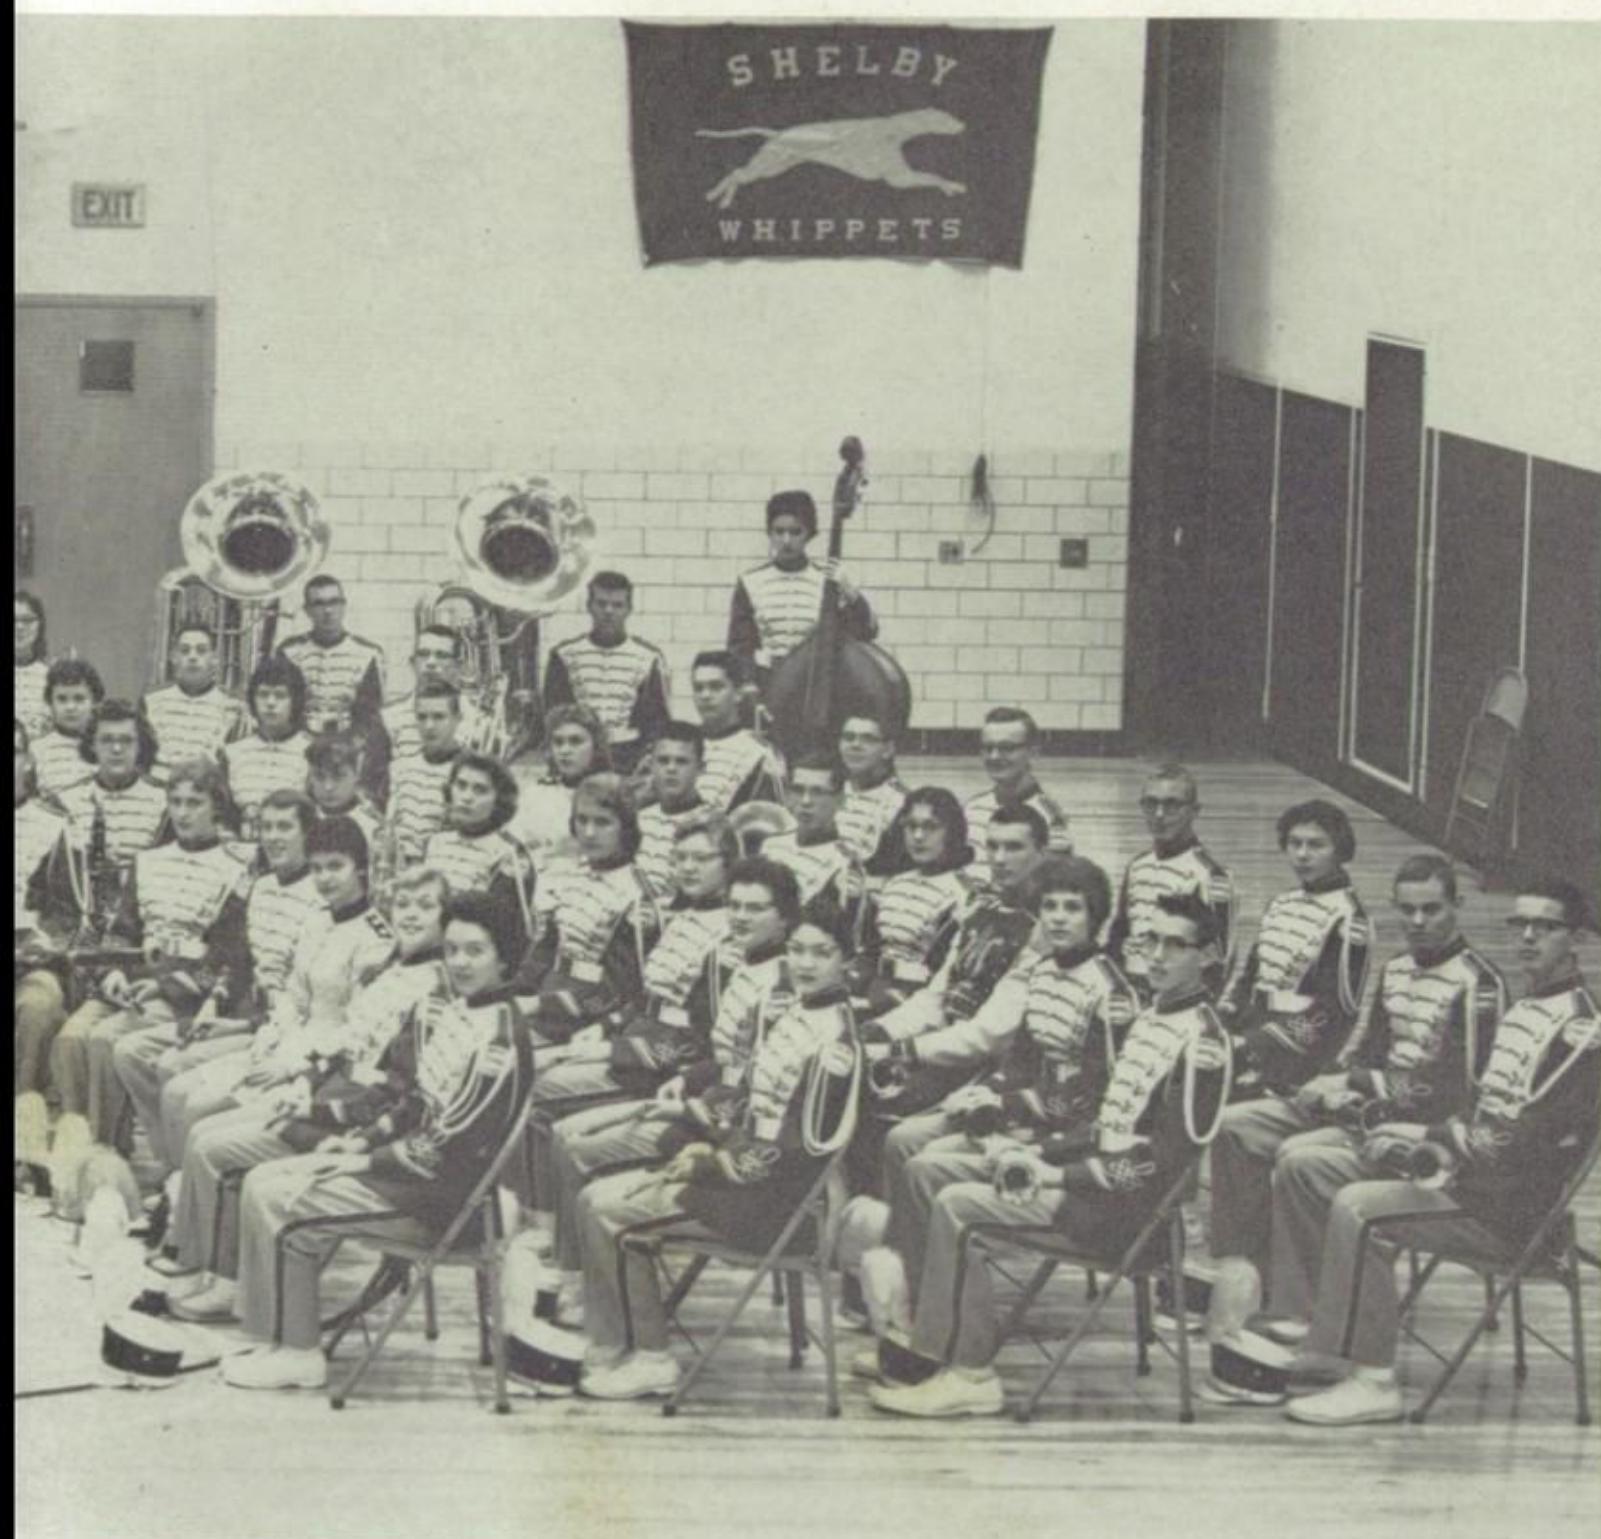

Here comes the band! Again this year the senior band appeared in snappy form at all football games from the prevue September 11, to the final contest November 20. Many hours of hard work by each member were required for the audience appealing precision performances. The attention drawing fanfare ended, the high stepping members started hitting those stripes to their opener "Red and Gray." The next minutes were filled with fast moving difficult maneuvers. The applause told that the straight line was indeed straight. Next the Whippets featured a hard-to-learn dance. Then they solemnly played the Alma Mater, while in the form of an S. The program finished, off the field they came with as much spirit as ever.

Immediately following marching season, the industrious players began learning difficult concert numbers to present at the contests and annual Spring Concert. An added local appearance was scheduled here May 6 when the Shelby band hosted Norwalk, Tiffin, and Bellevue at the band festival. At this concert the bands appeared separately and in an ear-tingling massed band.

Guided by their director Mr. Dwight Somerville and Mr. Frank Pendergrass their new assistant director, and helped by Mr. John Purdy who donated many hours of his time, the band brought to a close another year in which they proved themselves, to be one of the best ever.

DRUM MAJOR
GEORGE SCHNEIDER

High aerial throwing George Schneider was seen again this year in front of the band at football games as Drum Major. Taking turns as head majorette were the seven perky twirlers seen above. At the games, besides their regular twirling, they presented weekly a fast moving dance following the music theme of that performance. As marching season ended, the eight performers dusted off their instruments and joined the concert band as regular playing members.

Varsity Football Team

Having taken its knocks last year, the varsity football team charged into the 1959 season with the experience and desire to win. The student body, showing a great upsurge in spirit, dubbed the powerful defensive team with the title, "Hungry Hounds." The defensive lived up to their title by holding their opponents to 53 points and the "Hungry Hounds" became a household word throughout the league. Not to be overlooked, the Whippet offense, led by backs Russ Pfahler and Dave Bonecutter scored

a total of 264 points. The team made an undefeated sweep of the N.O.L. and suffered their only loss to a strong Wooster team at the end of the season.

Raymond Lewis was named outstanding lineman of the year while Russell Pfahler received his second award for outstanding back of the year. Whippets were placed on the N.O.L. first teams: Pfahler, Miller, Lewis and Fairchild on offense; Lewis and Pfahler on defense.

Coach Monn pushed his pups to a winning season this year, chalking up six wins to four losses. Led by the scoring of Rick Wright and Dick Miller, the offense tallied 232 points while the defensive team held the opponents to 121. The young Whippets showed great potential in many of their games and should contribute much to future varsity teams.

VARSDTY (kneeling) : Gloria Sharkey, Barbara Keller, Pat Henkel, Nola Troxell.
(Standing) : Daneen Guthrie, Miss Bowman (Advisor), Jane Doty.

Cheerleaders

The six Varsity Cheerleaders and the six Reserve Cheerleaders were responsible to arouse the "old school spirit" in an organized manner for the football and basketball games. The Varsity Leaders had the assistance of the Pep Club.

A girl does not don a cheerleader's outfit and go out and lead a cheer. The job requires hours of practice, times to work with the advisor and the other cheerleaders. A cheerleader tries to develop good qualities of sportsmanship in herself and thus inspire others to be good sports at all athletic activities.

RESERVE (left to right) : Diane Troxell, Susan Bashore, Patti Shedenhelm, Pat Crall, Janet Page, Shirley Mitchell.

Coach Charles Williams guided his Whippet twelve through the best basketball season in three years. Although they faced tough competition, the Shelby cagers piled up an impressive record of 14 wins and 7 losses. The Whippet shooting per centage for the year was 36%. John Brown led the team in rebounding (242 for the season) and in scoring with an average of 16 points per game. Gene George was second high scorer with 13 points per game. Shelby advanced through the sectional tournament with wins over Ontario and Lexington, but was defeated in the semi-finals by a strong Marion team.

LEFT TO RIGHT: Steve Suter, Jeff Laubie, Dave Livingston, Harold Armintrout, Phil Ruckman, Mike Clady, Assistant Coach Roger Copeland, Coach Charles Williams, John Brown, Greg Giller, John Kocher, Larry Beidelman, Gene George, and Larry Hoskins.

Reserve Basketball

Composed of eight juniors and four sophomores, the reserve basketball team wound up the season with a record of nine wins and seven losses. Coach Roger Copeland and his boys, however, had some tough breaks—losing three games by only one point. Tim Carver and Greg Giller led the team in scoring as they shot averages of 11.6 and 11.2 points per game, respectively. As evidenced, the Whippets scored well for a reserve team and mixed this with good defensive work to account for their nine wins, Phil Ruckman was the team's leading rebounder with a total of 150 rebounds for the season.

The ninth grade basketball team, coached by Bill Varble, ended the stormy 1959-60 season with a six win, ten loss record. The inexperienced lads had a slow start, winning only two of their first ten games, but they improved throughout the season and finished strongly by defeating four out of their last six opponents. The addition of Plymouth and Ontario to their schedule gave the freshman team the busiest season they have ever had. The experience gained by the Whippet pups on the freshman squad should make them more valuable material for reserve and varsity basketball teams in the future.

TRACK SQUAD

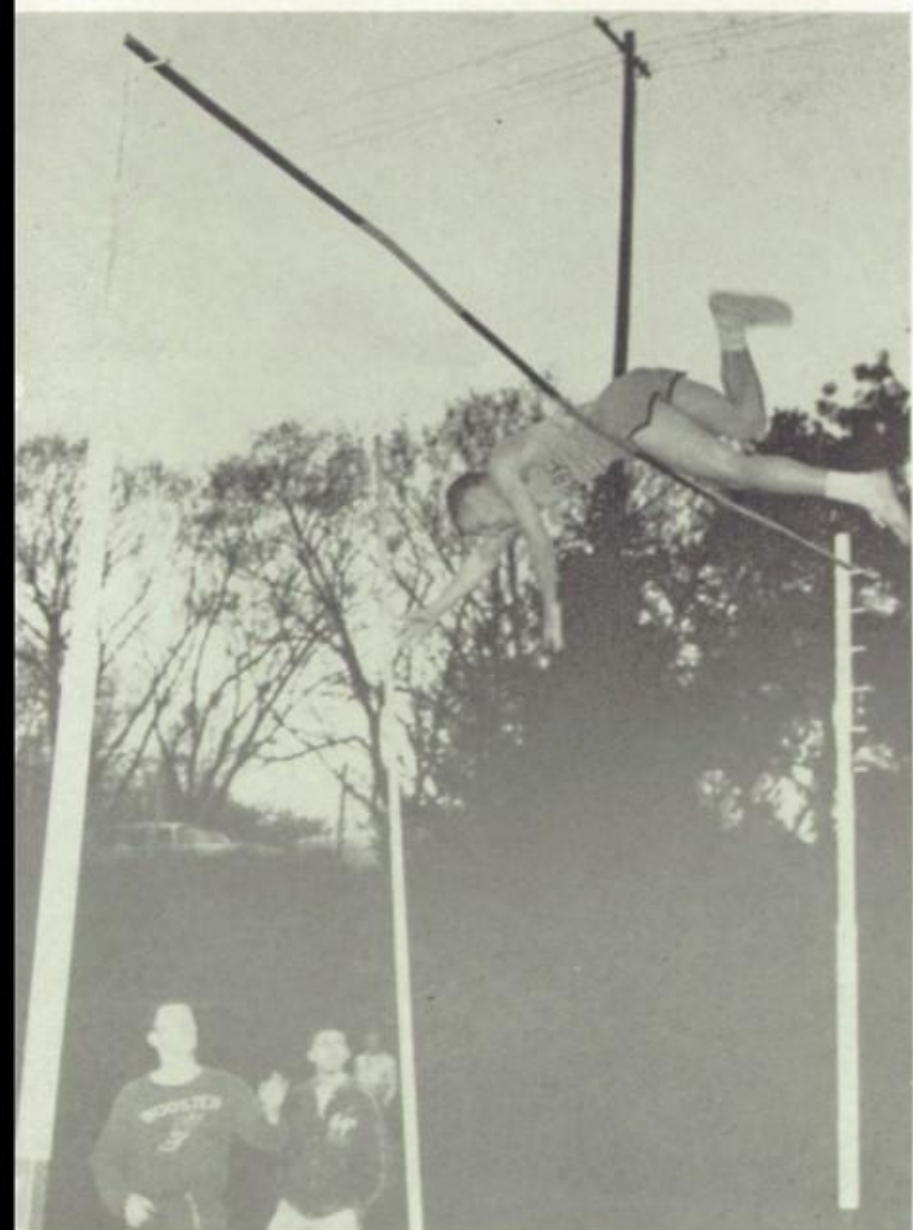

With the arrival of the first hint of spring, the Shelby High School thin-clads could be seen running around the oval, conditioning themselves for the 1959 track season. Their desire to improve compensated for their inexperience. Under the guidance of Head Coach Roger Cope-land and Assistant Coaches William Varble and Ronald Strine, the Whippets did well in dual meet competition, winning 6 of 9 meets, but did not do so well in the relays.

At the Upper Sandusky Relays, Shelby led the field going into the last event, but due to a disqualification they lost the meet by one point. Although Shelby High lost the Wooster Relays at Wooster to a strong host team, the night was not a complete loss in that the Whippets kept the fine tradition by paying tribute to the track queen for 1959, Miss Susan King, a 1959 graduate.

The Whippet Thinclads, losing only three lettermen to last year's graduating class, show great promise to bounce back to Northern Ohio League honors in 1960.

Larry St. John (1959 graduate) is a step ahead in the 100 yard dash at a dual meet with Madison.

Tom Baker jumped over 11 feet at the Wooster Relays held in May, 1959.

Smiling Charles Miller leads the pack in the shuttle hurdles. (1959)

Despite heavy rains which caused a mixed-up schedule, the Whippets played well and showed great potential for next year. Larry Hoskins, the team's leading pitcher, hurled a one-hitter to edge the Mansfield Tygers, 2-1, in one of the most exciting games of the season. Bob Biglin was the team's outstanding hitter, batting .419 for 31 trips to the plate. In the sectional tournament, Shelby was defeated in the first round by a strong Madison team. The Whippets' good qualities were overshadowed by their fielding errors as they finished the season with four wins and six losses.

Although this team wasn't given much recognition, they showed us what real Shelby spirit could be. They had an even distribution of talent with which they gained their five wins. These boys worked hard and finished up the season with an 11-0 victory over Madison. This reserve team develops the boys in the playing techniques which they will use in future years on the varsity team.

1959 Golf

Although the '59 golf season was unimpressive in the win loss column (5 wins, 1 tie, 11 losses) it can hardly be called unsuccessful. Most of the losses were close matches; Shelby scored a total of 106 points to their opponents' 166. This year brought much experience to the freshmen and sophomores on the team who should contribute brighter days to the future golf seasons.

Tennis Team

The spring of 1959 saw Tennis added as the sixth major sport at Shelby High School as a team was organized and coached by Mr. Ralph Sirofchuck, a business education instructor of the school. Although school officials have not approved tennis as an interscholastic sport, they have approved it as an extracurricular activity. The Whippets, with very little experience as a team, took on tough competition. They ended the season of 1959 with a 3-5 record. Tom Lutz and Lynn Wright proved to be the main stays of the team, winning thirteen matches between them. These two players were graduated last spring (1959). The majority of the first team were graduated but sufficient interest has been created in the sport to establish it among the other popular sports at Shelby High.

Pep Club

The Pep Club—Whippettes—consists of 140-150 girls (114 in the block "S" section and the re-maining are alternates), who spur the team to victory.

This year, the newly formed "S" section, a gray "S" on a red background, was assigned a special section at the Marion basketball tournaments.

Each year the Pep Club sponsors a dance—held this year March 18—for the upper four grades. The profits are used to replace cheerleader uniforms.

The Executive Committee consists of:

Seniors

Sandra Argo—Secretary

Harriet Hafer—Treasurer

Juniors

Carolyn Karr

Mary Ann Southard

Sophomores

Carol Lutz

Georgia Seaton

Freshmen

Carol Cline

Mary Ellen May

G. A. A.

The main purpose of the G.A.A. is to furnish extra-curricular activities for the girls of the upper four grades. By participating in both team sports such as basketball, volleyball, softball, bowling, badminton; and individual sports, such as bicycling, hiking, skating, the girls receive points toward their awards.

The officers of the club—Linda White, president; Regina Wray, vice president; Diane White, secretary; Cindy Wray, treasurer; Joann Thomas, sports manager—see that the aims are followed: 1 to develop confidence and leadership; 2 to become good sports; 3 to be an all-round girl by: (a) living up to the health standards, (b) courtesy and thoughtfulness to others, (c) good social habits, (d) respecting the rights of others.

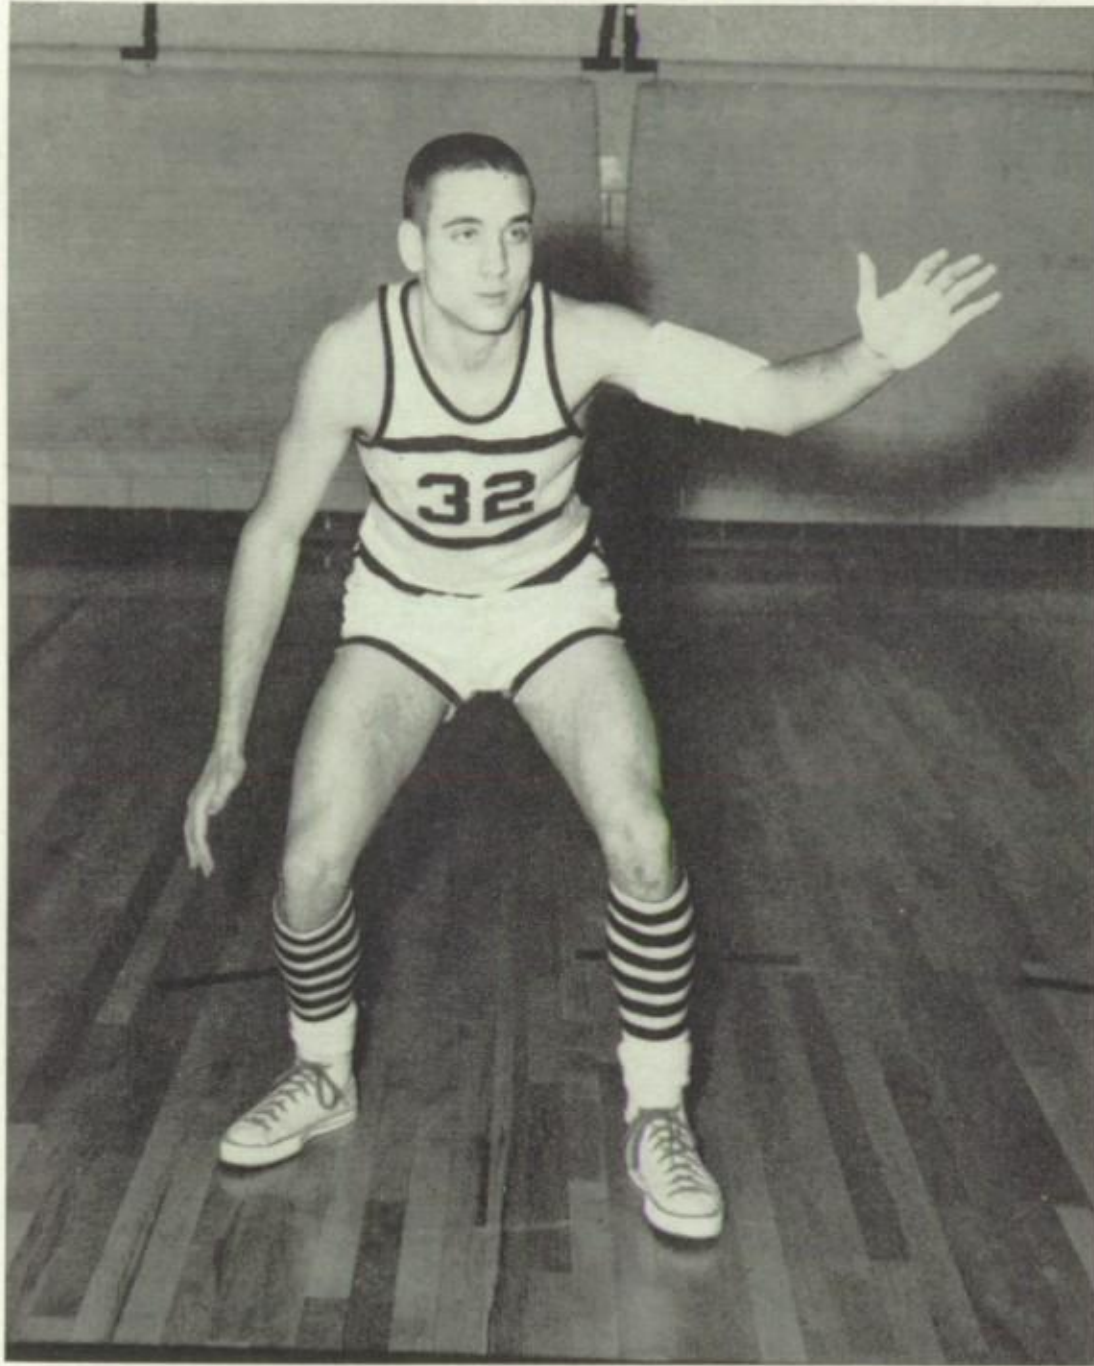

The G.A.A. develops each member physically, mentally, and socially.

Letter "S" Award

This year's letter award goes to John Kocher, winner of seven varsity letters. Two things make his high school sports career a memorable one—hard luck and determination. In his Freshman year John played reserve football and basketball, and varsity track. As a Sophomore he moved up to the varsity football team. Then, in the Ashland football game during his Junior year, John made a drive for a loose ball which cost him a broken arm that kept him out of football and basketball for the rest of that year. When doctors ruled him out of the quarterback spot his Senior year, John concentrated on basketball and won a forward spot on the starting team which he held down very capably all season. John's determination and desire to win have earned for him the admiration of the coaches, his teammates, and the student body.
